

AP 5075 COURSE ADDS AND DROPS

Reference:

Title 5 Sections 55024, 58004, and 58509

Adding Courses

Students may add classes through the registration period.

After the registration period concludes, classes may only be added by formal request from the student to the instructor of record.

Withdrawals (Title 5 Section 55024)

Withdrawals, or drops, are authorized through the last day of the fourteenth week of instruction or 75% of the term, whichever is less. Students who withdraw or drop classes during the first four weeks or 30% of the term, whichever is less, will receive no notation on their academic record. A student who withdraws after this period, but before the end of the fourteenth week of a course, or the expiration of 75 percent of a term, whichever occurs earlier, shall receive the withdrawal symbol "W" on his/her/their transcript, unless the district selects an earlier final withdrawal date. The "W" shall not be used in calculating grade point averages, but shall be used in determining probation and dismissal of a student.

Faculty members shall clear their rolls of inactive students no later than the end of the last business day before the census day for all students.

"Inactive students" include:

- Students identified as no-shows,
- Students who officially withdraw,
- Students who are no longer participating in the courses and are therefore dropped by the instructor.

A student will be permitted to withdraw from a class and receive a "W" no more than three times. In the case of multiple withdrawals, the district offers counseling services as its intervention program.

Students may be permitted to enroll in a class after having received the maximum authorized number of "W" symbols as long as the students go through a petition process with a designated official of the college to ensure they will receive a grade or a non-evaluative symbol other than a "W" upon completion of the course.

A military withdrawal (“MW”) will not be counted toward the permitted number of withdrawals or counted as an enrollment attempt. A military withdrawal occurs when a student on active or reserve status in the United States military or National Guard receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol of “MW” shall be assigned to all courses affected by the military withdrawal.

An excused withdrawal (“EW”) will not be counted toward the permitted number of withdrawals or counted as an enrollment attempt, nor will it be counted in progress probation and dismissal calculations. An excused withdrawal occurs when a student withdraws from a course due to an extraordinary condition under Title 5 Section 58509. In no case shall an excused withdrawal result in a student being assigned an “FW” grade.
