Hope everyone is staying safe and healthy, and is able to enjoy the Labor Day Holiday weekend. Please find our weekly update below.

**The following are some updates for this week (as of September 4, 2020):**

**Spring 2021 Planning:** As we mentioned in last week's weekly communication, we have agreed to move forward with Spring 2021 course offerings to continue to be predominantly online with the exceptions of limited, [essential sector](#), classes and operations. This week, the community-at-large was made aware of this decision via our [press release](#). *Per the Fall/Spring Planning Taskforce's recommendation, we will send out an official communication to students via email in late September.*

**Grading Policies and COVID-19 Related Refund Policies for Summer and Fall 2020:** This communication complements the memorandum titled, "[CLPCCD District-wide Policy Regarding COVID-19 Related Grading Policies for Fall 2020](#)" sent on Tuesday, August 25, 2020. This [supplemental memo](#) was sent out districtwide on September 1, 2020, and you may review on our webpage. If you have additional questions, please reach out to your respective Deans or Vice Presidents. *Students received notice via email on September 2, 2020.*

As always, please continue to visit the [district urgent alerts webpage](#) for up to date information, and contact your Presidents' Office or administrator for additional questions and/or guidance.
